

Warm Up with the Arts!

Join us on Saturday, January 25th from 11am - 5pm for a cozy and creative day at the Winter Art Walk hosted by Falls Art@Large in Downtown Menomonee Falls!

Explore local shops where talented artists will be showcasing their work, offering live demonstrations, and even providing fun make-and-take activities. Whether you're browsing art, trying your hand at a new craft, or simply enjoying the winter vibes, there's something for everyone!

The day will conclude with free live music with Whitney Rose at the Art Lounge starting at 5pm, and a cash bar will be available for food and drinks.

Mark your calendars, invite your friends, and warm up with the arts!
